**Re. Review of Admissions Policy for Loreto College, Swords
From September 2019 Onwards**

Having reviewed the Admissions Policy and the early date of enrolment in Loreto College, Swords, the Board of Management has made a decision to change the enrolment date from September of 4th class to September of 5th class.

For September 2019 the college will continue to accept Declaration of Interest Forms from current 3rd class applicants but the selection process will not take place until October 2017 when the applicants are in 5th Class. From September 2020 onwards Loreto College will only accept Declaration of Interest Forms from applicants in 4th and 5th class.

For those who have already submitted a form for September 2019 they do not need to reapply as their original form will stand.

Thanking you for your co-operation.

Yours faithfully

Mr Peter Macnamara
Secretary, Board of Management
