

Prayer from Ms Cronin

He is Risen-

For all Christians Holy Week is the high point of our church year. It is the week when we remember in a special way the sufferings of Jesus before his death on the cross on Good Friday.

But this is not the end. On Easter Sunday we celebrate the Resurrection of Jesus, reminding us of God's promise that he will make all things new.

Lord,

The resurrection of your son has given us new life and new hope.

Be with us all in our Loreto College community in this time of uncertainty
Fill us with joy and peace and may the beauty of nature around us be a source
of encouragement that all will be well
