

3rd Year students

This is your new timetable for class, homework and study. This timetable will help you to organise your time.

This timetable will help you to:

- Continue to work from home with the help of your teachers
- Communicate with your subject teachers on set days – this includes lessons, class work and homework.
- Know when you have class or work due in each of your subjects e.g., you should expect English (work, classes, and assignments) on Mondays, Wednesdays and Fridays until further notice.

You can expect to spend a minimum of one hour on each subject timetabled.
