

First Year students

This is your new timetable for class and work. This timetable will help you to organise your time. It will help you to:

- Continue to work from home with the help of your teachers
- Communicate with your subject teachers – this includes lessons, class work and homework.
- Know when you have class or work due in each of your subjects e.g. You should expect Irish (work, classes, assignments) on Mondays and Thursdays until further notice.

You can expect to spend a minimum of one hour on each subject timetabled except on Wednesdays when classes and workload may take longer.
