

Loreto College Virtual Sports Day

It was certainly '*Sports Day*' with a difference this year as our annual event took in two weeks of daily physical challenges ranging from the traditional 'Sprint' races to 'Toilet Roll Keepie Uppies' and everything in-between! With almost 600 participants including students, teachers, parents, siblings and even grandparents, it was a wonderful testament to the strong community spirit of Loreto College Swords.

The class competition for 'Sports Class of the Year' was extremely competitive as always, with students gaining points for participation and prowess in all events. The final tally revealed however that in 1st Place were class 1G with an impressive 1,319 points. Very close behind class 2R had 1,304 points and 3S were in 3rd. Well done to all!

Our spot prize draw saw Sarah Caffrey 2S, Sarah Manning 3Q, Shonah Byrne 1Q and Layla Gibney 1G each win a voucher.

Ms. Kevany and Ms Graham would like to particularly thank the three Squad Leaders in each class who gathered all the scores and times from their squad for each event. They were invaluable in making the event possible.

If anyone is having withdrawal symptoms after finishing your daily challenges we've put together a little selection of activities for the summer holidays to keep you going! You can access them here on Padlet <https://padlet.com/dgraham70/z0b2tg96hq2vj3wk>.

We wish you all a happy and healthy summer and look forward to seeing you in September.
